Dublin Airport to Dublin City Centre and General Transport

When you arrive in Dublin you will have a few different choices for travelling to the city centre.

Taxi:

There are taxi ranks located outside both terminals. You can queue up and pay by cash and credit card at these taxi ranks.

*Estimated fare for Dublin Airport to O'Connell Street during premium fare hours for 2 people:
€19.00-25.00*

If you need a taxi during your stay in Dublin there are taxi ranks located around the city or you can flag a taxi down by waving at one that has its light turned on while driving.

There are two main taxi apps which can be downloaded and used during your stay.

Bolt <https://bolt.eu/en/cities/dublin/>

Air coach:

This coach has many different routes available including one from the airport to the city centre:

<https://www.aircoach.ie/plan-journey/travel-information>

You can buy your ticket online or pay by cash at the stand outside both terminals.

Adult cash fare to the city centre [single €7] [return €12]

Dublin Bus offer transport through the Airlink Express <http://www.dublinbus.ie/Your-Journey1/Timetables/Airport-Services/> however this is a longer journey than the Aircoach and only a minimal price difference.

Luas

If travelling across the city centre and/or when coming to the AONTAS office the Luas will be your easiest mode of transport.

Irish Rail

The east coast of Dublin and Wicklow has a Dublin Area Rapid Transport Line (DART) that will bring you to many beautiful scenic towns along the coast. If you have time and would like to go outside the city centre, this will be a nice way to travel.

****Visitor Transport Card****

Leap Card will allow you to top up your card and use this on Dublin Bus, Irish Rail, and the Luas during your stay: <https://about.leapcard.ie/leap-visitor-card>

Accommodation

Participants should book their own accommodation. We recommended choosing a hotel or a B&B located in central Dublin. The meeting venue on the first day hasn't been confirmed yet, but we will inform you as soon as it's confirmed. On the second day, we will visit [DALC](#) and [SOILSE](#).

Emergency Services

Ring 112 or 999 if you have an emergency in Ireland. This will contact the following:

- Gardaí (police)
- ambulance
- fire brigade
- coast guard
